

SPECIAL OFFER / Series 3900 Double Hung Window

EXCLUSIVELY AVAILABLE WHEN INSTALLED BY LOWE'S

ReliaBilt Series 3900 Double Hung is our top-of-the-line replacement window with impressive standard features.

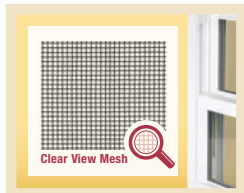

Every Series 3900 Double Hung features:

- Design Pressure (DP) rating of 60 to meet even the strictest wind zone building codes
- InsulKor fiberglass enriched reinforcement to enhance structural performance with maximum thermal performance
- .08 cfm air infiltration rating – an industry-leading mark for any vinyl replacement double hung window
- Upgraded 3/4" constant force coil balance system for easy, quiet sash movement
- Dual night vents for optimum ventilation
- Two locks on all window 27-1/4" or wider for extra security
- 4-1/4" overall frame width offers maximum structural integrity with traditional 3-1/4" jamb depth for optimal replacement window installations

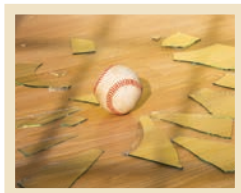

This special Series 3900 Double Hung window is also pre-configured with these features:
